# Positive Behavior Intervention Supports (PBIS)

PBIS is our district-wide way to help students and teachers understand consistent schoolwide expectations. Our district-wide behavioral expectations are being kind, being respectful, and showing integrity. Students will be reinforced for demonstrating the expectation and individual skill tied to each expectation in order to encourage consistent positive behavior on our campus and all campuses district wide. On the pages that follow, you will find our Eastmark High School Expectation Matrix, Reinforcement Matrix, and Accountability Matrix.

# **Athletics**

## **Eastmark High School Athletics Website:**

<https://www.eastmarkathletics.org/>

## **Arizona Interscholastic Association Requirements:**

All participants in interscholastic activities must be in compliance with all student eligibility rules. The student eligibility rules are enumerated and presented in detail in Article 15 of the AIA Bylaws at [www.aiaonline.org](http://www.aiaonline.org).

## **Academic Eligibility**

### **HIGH SCHOOL ELIGIBILITY:**

All high school student-athletes, including students enrolled in Queen Creek Virtual Academy, must be enrolled in a minimum of five classes to be eligible to participate in athletics.

All high school student-athletes must meet academic eligibility requirements every official grading period. Official grade reports are taken every 4 ½ weeks (i.e. progress report, quarter, end of semester). Eligibility checks for Queen Creek Virtual Academy students will be determined by student progress in enrolled classes.

At each official grading period, a student receiving a 64% or lower in any class shall be declared academically ineligible and not permitted to participate in competition. At the discretion of the coach, an ineligible student may continue practicing with the team during the student's period of ineligibility. As soon as a student's grades are improved to 65% or higher in all classes, the student immediately becomes eligible. The student is then monitored on a weekly basis for eligibility status until the next official grading period.

Student-athletes may not be deemed academically ineligible during a two-week break or at the start of a semester. Course grades reset at the beginning of each semester.

At the discretion of school administration, a coach may conduct unofficial grade checks throughout the season in order to communicate potential ineligibility to student-athletes and parents. It is the responsibility of both the student and coach to conduct an unofficial grade check one week prior to an official grading period to develop a plan of action to improve any grades lower than a 65%.

A student must be in attendance for at least three classes during the school day to participate in the day's practice or competition. A student that is suspended (in-school or out-of-school) may not compete during the time of suspension.

## **JUNIOR HIGH SCHOOL ELIGIBILITY:**

All junior high student-athletes must meet academic eligibility requirements every official grading period. Official grade reports are taken every 4 ½ weeks (i.e. progress report, quarter, end of semester).

At each official grading period, a student receiving a 64% or lower in any class shall be declared academically ineligible and not permitted to participate in competition. At the discretion of the coach, an ineligible student may continue practicing with the team during the student's period of ineligibility. As soon as a student's grades are improved to 65% or higher in all classes, the student immediately becomes eligible. The student is then monitored on a weekly basis for eligibility status until the next official grading period.

Student-athletes may not be deemed academically ineligible during a two-week break or at the start of a semester. Course grades reset at the beginning of each semester.

At the discretion of school administration, a coach may conduct unofficial grade checks throughout the season in order to communicate potential ineligibility to student-athletes and parents. It is the responsibility of both the student and coach to conduct an unofficial grade check one week prior to an official grading period to develop a plan of action to improve any grades lower than a 65%.

A student must be in attendance for at least three classes during the school day to participate in the day's practice or competition. A student that is suspended (in-school or out-of-school) may not compete during the time of suspension.

# Attendance & Bell Schedules

## Extra-Curricular and Co-Curricular Eligibility

Students must have a 65% or above in all classes in order to participate in Extra-Curricular and Co-Curricular activities unless the activity is a credit-earning requirement for the class. Students must attend at least half of their classes to participate that day in extra-curricular activities (unless approved by administration).

## ABSENCES

- An absence is defined as a student not being present in his/her assigned classroom during his/her assigned period.
- An unexcused absence is any absence from one or more class periods which has not been excused by a parent **and** does not meet the excusable absence requirements (**see below**).
- Truancy is 5 days of unexcused absences.
- **A student who reaches 10 absences, excused or unexcused, during a semester may lose credit in the class or classes in which the 10 days are recorded. The following procedure will be followed:**
  - Parents will be notified when students reach 5, 7, and 10 absences.
  - If students exceed nine (9) absences for any one class, they will be placed on audit status for that course.
    - Students will remain in the class on audit status and may lose credit.
    - Students will need to complete and turn in the Excessive Absence Appeal Form with proper documentation verifying the absences.
    - Administration will determine if the appeal is granted.
- Students who are habitually truant are subject to disciplinary action ranging from detention to suspension and possibly cited.
- By state law, a student must be withdrawn from school after 10 consecutive days of absences. Parents may request a re-entry conference if the absences have been due to illness.
- As specified by state code and school rules, students may only be excused from school for:
  - Personal illness or illness in the family
  - Court appointment (documentation must be provided)
  - Quarantine in the home (health officials set length)
  - Death of a relative
  - Observance of a religious holiday
- **A student is considered absent if he/she arrives more than ten (10) minutes after the final bell.**
- A parent wishing to have a student excused before the close of the day must go to the school office and sign the student out. Photo ID is required to sign a student out of school.

## C.U.T.S.

School attendance is not only a good habit, state law requires it. Arizona State law (§15-807.2, A, 15-803.E) requires every person who has custody of a child between the ages of six and sixteen years shall make sure the child attends school for the full time school is in session unless unable to attend due to illness or another legitimate reason. To encourage and improve school attendance, Queen Creek Schools have implemented a truancy program in partnership with Maricopa County Juvenile Court. This truancy program is called C.U.T.S. (Court Unified Truancy Suppression). We will be tracking attendance very closely. Your child is expected to be at school every day, unless there is an excused reason not to be. An absence is defined as a minimum of one missed class period per day. An unexcused absence will count as a truant day as defined by law. A student is "habitually truant" if he/she has five or more unexcused absences from school. A student that is absent more than ten percent (18 days) of the required number of school days per year is considered to have "excessive absences" whether the absence is excused or unexcused. When a student has five or more unexcused absences or 18 excessive absences (excused OR unexcused), the student can be cited to the CUTS Program through the Juvenile Court. The hearing will be held on the school campus with representatives from Queen Creek Schools and the Juvenile Court. A parent or legal guardian must be present with the student at the time of the hearing. Consequences at the hearing may include the following: required attendance of the parent and the child at an education class (to be held on Saturdays), work hours assigned to the child, counseling, etc. The parent will be assessed a \$50 Diversion fee. Failure to complete these consequences may result in suspension of your child's driver's license, or inability to get a driver's license until their 18th birthday and/or formal court proceedings. It is the parent's/guardian's responsibility to ensure their child's attendance in an approved academic setting. If you fail to take the necessary steps to provide your child with the appropriate education you may receive a citation. If convicted, it is a class 3 misdemeanor punishable by jail time and/or fine. The education of your child is extremely important to us. This program is another way that Queen Creek High School and Eastmark High School are working with the community to ensure a quality education for all students. If you have any questions or concerns, please feel free to contact Eastmark High School Administration. Thank you for your support regarding this program.

### **Steps to follow when absent**

Parent/guardians should call the Attendance Office at **480-474-6955** as early as possible each day the student is absent. The Attendance Office opens at 6:45 a.m. Parent/guardian should call by 9:30 a.m., or the automated phone caller will notify the parent/guardian.

Upon returning to school the following steps should be followed:

- Prior to entering class, students must check in with the Attendance Office.
- If the parent/guardian has not called to excuse the absence, then it will be marked as an unexcused absence.
- The Attendance Clerk will then issue the student an *Admit Form* only if it is an excused absence.
- **Any absence not excused by parent contact or proper documentation such as a medical/dental appointment card will be considered unexcused. Any absence not excused within 48 hours will be**

**considered unexcused.** All absences not verified by a parent/guardian or authorized by an administrator will remain unexcused.

- Once a student is on campus, a parent cannot excuse their son/daughter without signing them out through the office.

## **TARDIES**

Attendance is taken each period at the beginning of class. A student will be given an unexcused tardy if he or she isn't in the classroom by the end of the final bell.

## **TARDY CONSEQUENCES**

- All tardies are recorded. Tardies will accumulate throughout each semester.
- Up to 2 unexcused tardies in one period will result in a teacher-assigned consequence such as a conference, phone call home, detention, etc.
- The 3rd, 5th, and 7th unexcused tardy in one period will result in a teacher-initiated written referral and administrative consequence such as detention, Saturday school, community service, etc.
- Parents are only allowed to excuse tardies for a student's first class of the day.
- A student will be marked absent if he or she arrives ten (10) or more minutes after the final bell without an excused pass.

## **Sweep**

- Parents may escort their tardy students to school, email, or excuse the tardy.
- Students who are swept are to remain in sweep for the duration of the class period unless their parent excuses their absence.
- Each student gets two warning sweeps
- Three tardy sweeps = after school detention 2:25p-3:25pm
- Four tardy sweeps = Saturday detention from 7:30am-11:30am
- Five tardy sweeps = 1 day of in school detention
- Sweep resets every quarter

## **ABSENT WORK/LATE WORK**

- It is the student's responsibility to initiate scheduling for make-up work if they are gone for a field trip or planned absence.

## **Absent Work**

- A student with an absence will have two days for each day's absence to make-up all of his or her work. Anything beyond the two days for each absent day is considered late. Long-term project due dates that fall during a student's absence will be due the day the student returns. Suspended students must take the responsibility of doing all assignments during their absence and turn in the work on the second day back. A student must be absent three (3) or more days to request homework through the office. Please allow 24 hours to collect homework assignments from teachers.

### **Late Work Policy**

- Full credit is only available for homework and class assignments turned in on the day they are due. Work turned in late will be given a grade reduction. Students may turn in completed late work or missed work for a maximum of 90% credit. If a student turns in a completed assignment on time, or late, the lowest overall grade they can receive is a 50%. Please note, all assignments are due by the end of the unit as defined by the teacher. The rationale for this is that the learning needs to take place prior to the final assessment in a given unit. Work not turned in prior to the end of the unit receives a 0%.

# Counseling & Guidance Services

## **COUNSELING AND GUIDANCE SERVICES**

The Eastmark High School Counseling and Guidance Center offers services to students in three major domains: academic advisement, career guidance, and personal/social development. Counseling and guidance services are available for **ALL** students, their parents, and school staff. Students may see any counselor about anything about which they are concerned. Each counselor will meet with their assigned cohort of students one to two times per year for a one-on-one, ECAP (Education Career Action Plan). In addition to building relationships with students, the purpose of this meeting is to 1) check that students are on track for graduation and 2) help students understand post secondary opportunities and create a plan to help them reach their goals.

### **High School Counselors**

Grades 7-9 (A-L) ..... Natasha Miller-Oseman

Grades 7-9 (M-Z) ..... Alexandra Kramer

Grades 10-12 (A-L) ..... Sonya Manzo

Grades 1-12 (M-Z) ..... Brooke Seifert

- **Academic Advisement Services** Each counselor is prepared to provide assistance with junior high and high school registration, placement, five to six year planning, and progress monitoring. Further, each student will have access to information about post-secondary opportunities, including career planning, post-secondary education selection, admission procedures and financial aid applications. Many scholarships are offered through the counseling office. If you are interested in a scholarship, or other financial aid, contact the counselor as soon as possible. Many scholarships pertain to a particular post-secondary career pathway or have certain restrictions. There are also scholarships that appeal to a particular student's interests. Information on colleges, careers, and scholarships are found online at [www.ehs.qcUSD.org](http://www.ehs.qcUSD.org).
- **Career and College Guidance** will focus on helping students to identify their career interests and aptitudes, providing information on the entire spectrum of career options, and aligning junior high and high school course selections that will prepare students for chosen career areas. Beginning in 7th grade, all students will begin their career exploration journey by taking our 7th grade Careers class. This will contain an exposure to a variety of careers, address the 16 career clusters, and help students start to think about what career they might like to choose. In the 8th grade, all students will be required to complete an Education Career Action Plan (ECAP). In 9th grade and beyond, students will complete required activities for their ECAP or post-secondary plan. Parents/guardians will be advised of their child(ren)'s career plans through

grade- level parent seminars held in the evening. Finally, students interested in attending a college, university, or technical/trade school are encouraged to take advantage of assistance in this area. Students may be:

- Advised of school entrance requirements and necessary paperwork to begin the admission process.
  - Assisted with preparing for entrance exams (SAT/ACT/Accuplacer).
  - Given financial aid information.
  - Assisted with financial aid forms.
  - Taken on field trips to various school campuses to help students with making informed decisions about where to obtain post-secondary education and training.
  - NCAA Eligibility Center can be accessed through the EHS Counseling website on the <http://ehs.qcUSD.org> under "Important Links."
- **Personal Counseling** will be offered on a prevention, intervention, and referral basis. Students are encouraged to consult with the counselor on an individual basis when they are faced with a problem or concern which so preoccupies them that they are unable to deal with the demands of school and home life. Eastmark High School also has a full time Social Worker to help address the needs of students.
  - **Students in Distress:** Students in distress who are reporting or exhibiting great pain, anxiety, depression, physical or mental suffering or are expressing suicidal/ homicidal ideations will be referred to the school Social Worker, and the Student in Distress Protocol will be followed to help students and parents get the appropriate treatment and intervention. Eastmark High School and Queen Creek Unified School District partners with EMPACT/La Frontera to help educate students about warning signs they might see in themselves and others and provides students with a wide array of coping methods to help overcome life stressors.
  - **Substance Abuse Education Program:** Eastmark High School and all Queen Creek Unified School District 7th graders will go through an anti- tobacco education program put together by the *MD Anderson Cancer Center* called ASPIRE. Students will complete a four-hour course as part of our Careers class to help educate them on the dangers of using Vapor Tobacco (Vaping). Aspire will also be used as a diversion program for a first offense of bringing vapor tobacco substances or paraphernalia on campus. This is intended as an educational program only and not as treatment of addiction issues. Students may be required to participate in the program along with other disciplines as an intervention to help students and parents understand the issues impacting their education.

Counseling services are available for all students, and counselors are intentionally placed in the classroom building in order to be consistently available for students. For longer conversations, an appointment will need to be set with the counselor so as not to interfere with the student's academic schedule, if possible. All attempts will be made to render service as quickly as possible.

## **Dances & Activities**

- Students must obtain a *Guest Pass Request* form to complete and return to the Administration Office one week prior to any dance. An Assistant Principal must approve all guests. Only one guest per EHS student. NOTE: Students should not purchase a dance ticket for a guest until they have confirmed guest pass approval by the Assistant Principal. There will be no dance ticket refunds issued for guests who are not approved.
- Guests must be under the age of 21. NO EXCEPTIONS.
- The EHS student obtaining the guest pass is responsible for the behavior of their guest. Guests must be accompanied by the EHS student at all times.

### **Chaperones**

- Parents may not act as chaperones for school based dances.

### **Rules**

- School rules apply to school dances and activities. The student code of conduct will govern the conduct of all participants.

- Students are responsible for their own transportation to and from any dance. Vehicles at a school function are an extension of the student and may be searched. If inappropriate items as defined in the QCUSD Family Handbook or QCUSD Governing Board Policy are found in a vehicle at a school function, the

driver and passengers may be subject to the same disciplinary action.

### **Clean Up**

- The sponsoring organization is responsible for organizing and supervising the clean up after any dance or activity. Clean up must be completed immediately after the activity. If it is a weekend and there is no activity scheduled the next day, clean up must be completed before noon that next day if the activity is held on school grounds. Trash must be bagged and any spills must be mopped up. All decorations and trash must be removed. The sponsoring organization members themselves may clean up, or, at their own expense, they may hire custodial staff during their off hours only. Charges for off hours will be calculated at a time-and-a-half rate.

### **Prom**

- Only EHS juniors and seniors may attend Prom. Students who do not attend the school or have not attained junior status are not permitted to attend unless invited by an EHS junior or senior and have a school-approved guest pass on file. Junior High students are not permitted to attend the Prom, even if invited by an EHS junior or senior.

## **Dress Code**

### **Policy 5-302 Student Attire**

Student attire may be regulated as necessary and appropriate to maintain order and decorum within the educational system and to avoid material and substantial interference with schoolwork or discipline.

### **Prohibited Attire**

Attire may be prohibited when it:

Significantly interferes with the District's ability to maintain order; such as disrupting schoolwork, school programs and activities, creates disorder, or prevents any student(s) from achieving educational objectives.

- Affects the health or safety of students, personnel or visitors.
- Conveys affiliation with a criminal street gang.
- Exposes the undergarments, or undergarment areas.
- Contains or conveys obscene language, symbols or messages.
- Promotes or depicts the unlawful use of alcohol, tobacco, or drugs.
- Is inconsistent with or prohibited by the course, program, or activity

The Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance except when their choices affect the educational program of the school or the health and safety of others. The District encourages students to take pride in their attire as it relates to the school setting. Clothing that is disruptive or that detracts from the educational process or is destructive to school property is inappropriate. Because

the school environment is a workplace, acceptable clothing for school may be different than clothing that may be worn in other environments.

When in doubt, parents and students should select more conservative clothing. Students deemed inappropriate in their attire will be directed to the administration office to obtain acceptable clothing and may result in further disciplinary action. Parents will be notified for repeat offenses.

Exceptions for special activities, health advisories or other considerations may be pre approved by the campus administrator. Student dress shall not present a hazard to the health or safety of the student or to others in the school, materially and substantially interfere with school work, create disorder, or disrupt the educational program, cause excessive wear or damage to school property nor include any type of clothing, accessories and/or jewelry that is worn with the intent to convey affiliation with a criminal street gang as defined in A.R.S. §13-105.

Discriminatory or obscene language or symbols, or symbols of sex, drugs, or alcohol on clothing are prohibited. Students may wear clothing, accessories and jewelry that display religious messages or religious symbols in the same manner and to the same extent that other types of clothing, accessories and jewelry that display messages or symbols are permitted.

Students who volunteer for extracurricular activities, such as athletics, band, chorus, etc., are subject to the standards of dress as defined by the sponsors of such activities.

School administrators will make the final decision regarding the appropriateness of any student's appearance. Any apparel which the administration determines to be unacceptable in light of the above community standards is prohibited. Students who violate the dress code policy are subject to discipline.

## **Parties and Season Festivities/Celebrations**

At Eastmark High School, our primary focus is teaching and learning. However, we do participate in a variety of fun celebrations at our school. We have spirit days, seasonal activities, and festivities to celebrate these special times of the year. These types of events generally take place for a short period at the end of the school day and/or include educational activities so that we can continue to focus on our mission of teaching and learning. Eastmark High School refrains from celebrating holidays and individual students' birthdays with costumes, cakes, candy, flowers, balloons, and gifts. Therefore, we ask students and parents to celebrate these activities off campus before and/or after school.

# **General Student Information**

## **ACTIVITIES PROGRAM**

Eastmark High School offers several clubs. As we continue to grow, we'll continue to have even more. If you have an idea for a club, please reach out to the assistant principal over student activities to hear how you can get a club started. Go Firebirds!

## **AREAS RESTRICTED TO STUDENTS**

The following areas are restricted to students during the school day. A written pass (from administration or designee) is required for student access to:

- Parking lot
- Gym (unless assigned to a classroom or high school lunch on early release days) and gym hallways.
- Nurse's Office
- Athletic fields (unless assigned to a class)

## **ASSEMBLIES**

Assemblies are held for a variety of purposes: to teach, to entertain, to display school spirit, to celebrate, and to honor various students, teams, clubs, and/or organizations. Members of the audience should respect and show courtesy toward the rights of the performer(s) and/or speaker(s). All assemblies are considered part of the regular school day. Students are required to attend assemblies, arrive on time, and sit with their assigned classes. Students who do not attend their assigned assembly are subject to disciplinary action.

## **BOOKSTORE**

Textbooks will be distributed to students as class sets at the beginning of the school year. If a student would like a textbook for home, please check one out from the EHS Bookstore. Students who have outstanding textbooks will not be issued new textbooks until the outstanding books are either returned or paid for. Students are required to pay for all lost or damaged textbooks. This includes defacing or removing bar codes. Students are responsible for returning the EXACT book that was checked out to them. Barcodes must match, or credit will not be given for the returned book.

All fees such as lost book payments, class fees, athletic fees, and parking fees are paid in the Bookstore. Class fees will be charged to student accounts by charging ½ of the fee for a course in semester 1 and the other ½ at the beginning of semester 2. NO REFUNDS WILL BE GIVEN AFTER 3 WEEKS FROM THE BEGINNING OF THE SCHOOL YEAR. If a class is dropped or if a student requires a refund for any reason, the student **MUST REQUEST IT WITHIN 9 WEEKS OF SCHOOL STARTING.**

All fees must be paid BEFORE a parking permit or yearbook can be purchased. Also, these types of fees must be paid before payments can be applied to "extras" such as field trips, etc. If there is an extenuating circumstance, please contact the EHS Principal's Administrative Assistant at 480-474-6959 to set a meeting with the Principal.

## **BUS PASSES**

Bus passes are not accepted on QCUSD busses. Parents must obtain permission from

the QCUSD Transportation department by calling 480-987-5982

### **CLOSED CAMPUS**

Eastmark High School is a closed campus. Students may **NOT** leave the campus once in school. Parents who sign out their students must do it through the Attendance Office. Once school has started, any student needing to leave school, without a parent/guardian present to sign them out, will need to have a written and signed note from parent/guardian or a phone call placed to the Attendance Office.

### **COMMUNICATION**

#### **• TELEPHONE**

**If a parent/guardian needs to contact their son or daughter, during the regular school day, please contact 480-474-6950.** We respectfully request that parent/guardian only do this in the case of an emergency. There is a designated phone in the front office for student emergency use only. **Parents are discouraged from calling or texting their son/daughter's cell phone during the school day, as students are encouraged to only check their cell phones during passing times and at lunch.**

#### **• ITEM DROP OFF**

Items needed by your student during the school day are to be dropped off at the Front Office. Students will be notified to pick up deliveries between class periods or at lunch. Balloons and celebratory items are limited to one or two items and stay in the front office until the end of the day. Items from delivery services such as Uber Eats are not permitted.

#### **• E-MAIL**

To communicate with a faculty member through e-mail, use all lower case letters, no spaces, initial of first name, last name and @qcusd.org – For example, John Doe would be jdoo@qcusd.org.

#### **• STUDENTVUE/PARENTVUE**

EHS uses the secure site *StudentVue* to post student grades. You can login at anytime to check your student's current grades and missing assignments. To access the website go to [https://qc.apscc.org/Login\\_Parent\\_PXP.aspx?regenerateSessionId=True](https://qc.apscc.org/Login_Parent_PXP.aspx?regenerateSessionId=True) and type your student's name and password. Please make sure your contact information is up-to-date. This system is a great way to keep communication open between teacher, student, and parents.

### **EMERGENCY PROCEDURES**

State law requires that all schools practice evacuation drills. The purpose of these drills is to acquaint all students with the different exits depending on the area they may be in at the time of the evacuation drill. In case of an evacuation drill, students must exit in an orderly, efficient manner. In the unlikely event of a fire, bomb, or other emergency requiring the evacuation of the building, notification will be given by sounding the fire alarm, making an announcement over the public address system, or

sending a message in the case of a power outage. When notification is received, students should follow the evacuation plan posted in their rooms. Students who are in the breezeways, restrooms, or lunchrooms during the emergency should evacuate through the nearest exit and then report to a teacher at the gathering site for their class. Students should not attempt to return to classrooms during an emergency evacuation. **EXCEPTION:** When there is an emergency lockdown situation, students and teachers will remain in their classrooms until further notice. Official notice will be given as to where and how the students and teachers will evacuate.

### **FOOD IN CLASSES**

Food is only allowed in classrooms at teacher discretion. **All drinks need to have a resealable top. All students entering campus will be asked to throw away drink containers without resealable tops.**

### **HEALTH SERVICES**

The school Health Office is staffed with a nurse and a health assistant. The school Health Office is equipped to handle minor illnesses and accidents. Emergencies and serious illnesses will be responded to and referred to appropriate health professionals. The Health Office also helps coordinate care (during the school day) for students with a chronic illness and/or special needs. Any student with a chronic illness should notify the Health Office. ***Students, who become ill or are injured at school, should report to the Health Office or other office personnel immediately. They should not leave school without permission.***

- Students may be dismissed to see the nurse after the first ten (10) minutes or before the last 10 minutes of class unless the teacher considers it an emergency.
- Any social or emotional needs should be referred to a campus counselor.
- Students will not be allowed to eat lunch in the Health Office, unless it is for treatment purposes.
- A maximum of four (4) students will be treated in the Health Office at any one time, unless it is an emergency.
- Students should not visit the nurse during the passing period, unless it is an emergency.
- Students who are ill or injured will be sent to the Health Office for attention. Students should come alone to the office unless it is necessary for someone to help them.
- Students may lie down in the Health Office for a maximum of ten (10) minutes. A parent will be called to pick up a student if the student cannot return to class after 10 minutes.
- Any pregnant student should inform the nurse.
- A student must have a pass to visit the Health office, unless it is an emergency. Students without a pass will immediately be sent back to class.
- It is important that a student's address, phone number, emergency contact person, and medical information be accurate. Access to this information is vital in case of an emergency.
- Student health screenings are conducted through the Health Office. These include hearing and vision as recommended by the State of Arizona. Other screenings may include height and weight, dental, and blood pressure. You may exempt your student from any or all screenings by giving yearly written notice to the EHS Health Office.
- House Bill 2295, Chapter 208, 1990 - requires that pupils be suspended from school upon enrollment if documented proof of required immunizations is not submitted unless the student is exempted due to personal beliefs of the parents, or due to certification that immunization is detrimental to the student's health. This requires that the immunization record be a part of the student's permanent record. This requires exclusion of students who lack documented proof of required immunizations during outbreak of communicable and/or preventable diseases.

If it becomes necessary for the student to take any form of medication during school hours, a signed note from a parent or guardian must be presented to the Health Office giving permission to administer medicine and relieving the school from liability. School personnel may cooperate if the following conditions are met:

- Whether a prescription drug or an over-the-counter drug, the medication must come in its original container. Vitamins and supplements will not be administered at school
- The pharmaceutical label must be on the container of any prescription drug. The label must have the student's name, dosage, times the medication should be given, and the physician's name.
- Parents must provide written direction to the school that the medication is to be administered.
- For students on campus, medication shall be kept in the Health Office and dispensed through the nurse or by the principal's designee.
- Students may carry their inhalers or epi-pens, as needed, to address their medical needs. The nurse must be notified of the medication and the reason prescribed. The medication must be in the original container and have the student's name, physician, and orders for use on the container. Parent permission must be on file. Medication must never be shared between students.
- Elevator keys are available upon request. A \$50.00 fee will be assessed to the student's account at the time the key is issued. Once the student returns the key, the fee will be removed. **If the key is not returned, the fee will not be removed from the student's account and must be paid.** Parent and student signatures must be on the checkout form prior to issuance of keys.

### **HOMEWORK POLICY DURING TWO-WEEK BREAKS**

No homework is assigned during the break with the exception of honor and dual enrollment classes. Honors, Advanced Placement, and Dual Enrollment classes follow a more rigorous curriculum; therefore, students in these courses may have assignments given over break.

### **HONOR ROLL AND PRINCIPAL'S LIST (High School)**

- Students must be enrolled in at least four (4) classes that determine GPA. (A "P" grade is not used to determine grade-point value and does not count toward Honor Roll.)
- Students may have no grade below a "B."
- Students must have a weighted grade-point average of 3.25 to 3.74 for Honor Roll.
- Students must have a weighted grade-point average between 3.75 or above for the Principal's List.
- Students who are on the Principal's List for the first three semesters they are enrolled at EHS will receive an academic letter.

### **HONOR ROLL AND PRINCIPAL'S LIST (Jr High School)**

- The Honor Roll will be published at the end of each nine-week grading period. To qualify for the Honor Roll, a student must maintain a grade-point average of 3.500-3.999. To qualify for the Principal's List, a student must maintain a perfect

4.0 grade-point average. Grade-point averages (GPA) are determined by calculating the following grade-point values:

	REGULAR CLASSES	HONORS CLASSES
A	4	5
B	3	4
C	2	3
D	1	1
F	0	0

### **IDENTIFICATION CARDS**

Students are required to **POSSESS** their student ID card while on campus. ID cards that are damaged or defaced will be required to be replaced at the student's expense. Replacement ID cards are \$5.00 and can be purchased at the Bookstore. The 3rd , 5th, and 7th time a student cannot produce their ID card will result in an administrative consequence such as detention, Saturday school, community service, etc. ID cards are the property of the school. Students must be able to produce their ID card upon request.

### **LEAVING CAMPUS**

Students are to remain on campus until they have completed their class schedule. A parent/guardian **must** sign out their student with the Attendance Office prior to their child's leaving campus during the school day. Photo ID is required for verification of guardianship. Seminary students are also required to be signed out by their parent/guardian at the high school's Attendance Office prior to leaving. Once school has started, any student needing to leave school, without a parent/guardian present to sign them out, will need to have a written and signed note from parent/guardian or a phone call placed to the Attendance Office. Any student leaving campus without first being signed out through the Attendance Office will not be excused for the classes they have missed.

Excuses are as follows:

- Provided they check out through the Attendance Office and the school has received parental permission, students with doctor and dental appointments may leave in time to meet appointments.
- Students with parental approval may be given permission by the principal or designee to leave campus for special needs.
- When a class or groups of students are scheduled to leave campus to participate in a school-sponsored activity, such students must have signed parental permission slips on file in the attendance office.
- **Except for off-site school-sponsored dances, students are not permitted to transport themselves to off-campus school activities**

**without prior administrative approval.** EVIT students who plan to ride the bus to EVIT must remain on campus until the EVIT bus departs. Leaving campus and then returning to ride the bus is prohibited. Students will not be allowed on the bus if they have left campus.

- It is prohibited for students to be picked up after school by ride-services companies, (e.g. Uber, Lyft, etc.).

### **LOCKERS**

Lockers and locks are issued to students involved in PE, athletics, and performing arts. Student lockers are school property and remain at all times under the control of the school. However, students are expected to assume responsibility for the security of their lockers. **Students should protect their property by keeping their locker locked, guarding the combination, and NOT sharing. Students will not use their own personal locks on school lockers.**

### **Eastmark High School is not liable for personal items stolen from a student while on campus or while attending a school-related function.**

School authorities may conduct inspections of lockers at any time, for any reason, without notice, without student consent, and without a search warrant. Students should not plan on storing books in PE lockers because lockers are limited in use to PE classes.

### **LOST & FOUND AND CONFISCATED ITEMS**

Items which are lost and recovered may be claimed in the Bookstore. Any unclaimed items may be donated to charity at the end of each quarter.

### **LOST OR DAMAGED SCHOOL BOOKS/PROPERTY**

Students who sign-out textbooks, library books, or other school property are held responsible for such property and must pay the replacement value if the property is lost or damaged. Students are responsible for returning the book that they checked out.

### **LUNCH @ The EHS COMMONS**

The lunch period is designed to provide a balanced diet and proper nutrition and opportunities for socialization and relaxation. The cafeteria and outdoor-seating area are places to eat. Each student is responsible for cleaning his/her table and the area at which she/he eats. During lunch hours, the designated lunch areas are in the Commons and the Outdoor Dining Area. Students are prohibited from ordering food for delivery from restaurants, as well as using delivery services such as Uber Eats, DoorDash, Postmates, etc. during the school day. Please note that due to allergy restrictions and food and nutritional health requirements, students are not permitted to share outside food with each other.

### **Meal Prices:**

	Breakfast	Lunch
Full Pay	\$1.75	\$3.50
Reduced	No Charge	\$0.40
Adults	\$1.75	\$3.75

We provide meals at a reduced rate or free depending on your income level. Meal applications are available at your school, Queen Creek USD Administrative Office, or online at [www.qcusd.org](http://www.qcusd.org). Applications will also be available to fill out online at <https://family.titank12.com> for the 2024-2025 school year. The site will provide you with your approval status once it is processed.

All meals are provided under the National School Breakfast and Lunch Program Federal guidelines. This means all meals are planned according to the requirements provided by USDA. All school meals must meet specific calorie targets, fat percentages, fiber, vitamin and mineral targets.

The Child Nutrition Department is a self-funded department in the district. This means we operate based on the money we generate; we do not receive direct funding from the district. In order to operate we generate money from the meals we provide the students, any caterings we do, and selling a la carte items.

All a la carte items we offer for sale during the meal service are in compliance with strict Smart Snacks nutrition criteria. This means all items are within the following guidelines: Less than or equal to 200 calories, less than 35% total calories from fat, less than 10% total calories from saturated fat, 0g trans-fat, less than 230mg sodium, less than 35% total sugar by weight. Items also must be whole grain rich or contain 10% of the daily value (DV) for one of the nutrients of public health concern (calcium, potassium, vitamin D, or dietary fiber). The juice we offer is 100% juice; the frozen slush drink (Penguin Ice) is also 100% juice.

Students are allowed to purchase a la carte items from their meal account. If a parent/guardian would like for the Child Nutrition department to limit their child's purchases, they just need to contact the cafeteria.

Parents/guardians can use the free online service <http://family.titank12.com> to keep track of their child's meal balance and transactions. Another free benefit includes setting up a low balance reminder on their child's account so the system can email them when the balance reaches the set amount. They can also utilize <http://family.titank12.com> to pay for their child's meals online. **There is a convenience fee for an online payment.**

Payments for meals can be made online at <http://family.titank12.com> using Visa, MasterCard or Discover cards. Payments can also be made via cash or check without a fee. There is a \$25 fee for any returned check.

We have a no-charge policy for meals. If students do not have enough money in their meal account, they will be given a cheese sandwich on whole wheat bread, fruit, and milk. Students will receive verbal notification when their balance is low.

The cafeteria is unable to give back more than \$10 in change. If a \$20 is presented for 1 meal, the meal will be charged, \$10 will be given back as cash, and the remainder will be credited to their meal account.

### **ANNUAL NOTIFICATION TO PARENTS REGARDING CONFIDENTIALITY OF STUDENT EDUCATION RECORDS AND SCHOOL DIRECTORY INFORMATION**

Confidentiality of education records is a right of public school students and their parents. This right is provided for by two federal laws, the Individual with Disabilities Education Act (IDEA) and the Family Education Rights and Privacy Act (FERPA). Under these laws, "education records" means those records that are: (1) directly related to a student; and (2) maintained by an educational agency or institution or by a party acting for the agency or institution. Of course, education records are maintained on every child enrolled in a public school. The types of information gathered and maintained include, but is not limited to: the students' and parents' names, address and telephone number; the student's date and place of birth, date of enrollment in the school, records from previous schools attended, attendance record, subjects taken, grades, school activities, assessment results, from parents and child find and other screening results, including hearing and vision screening results.

In addition, for children with disabilities, education records could include, among other things, evaluation and testing materials, medical and health information, each annual Individualized Education Program (IEP) notices to parents, notes regarding IEP meetings, parental consent documents, information provided by parents, progress reports, assessment results, materials related to disciplinary actions and mediation agreements.

The information is gathered from a number of sources including the student's parents and staff of the school of attendance. Also, with parental permission, information may be gathered from additional sources including doctors and other health care providers.

This information is collected to assure proper identification of a student and the student's parents and the maintenance of accurate records of the student's progress and activities in school. For children with disabilities, additional information is collected in order to assure the child is identified, evaluated and provided a Free Appropriate Public Education in accordance with state and federal special education laws.

Each agency participating under Parr B of IDEA must assure that, at all stages of gathering, storing, retaining and disclosing education records to third parties, it complies with the federal confidentiality laws.

In addition, the destruction of any education records of a child with a disability must be in accordance with IDEA regulatory requirements.

The federal Family Policy Compliance Office of the U.S. Department of Education has provided the following notice of parent's rights under FERPA. In accordance with IDEA the rights of the parents regarding education records are transferred the student at age 18.

The Family Education Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.

Parents or eligible students should submit to the school principal (official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading

Parents or eligible students may ask a school district to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.
