

EASTMARK  
**FIREBIRDS**

**"Firebirds!"**

**Rising up, taking flight**

**Spreading our wings with spirit and pride**

**Rising up, to attack**

**Fly copper, teal and black Go! - Go! - Go!**

**Through the flames, glowing eyes**

**Looking to the skies**

**Now, spread our wings, show our strength and our might**

**Fly high, Eastmark!**

**Take flight!**
