 Parking permits must be in the vehicle at ALL times and MUST be visible through the front windshield. It is your responsibility to move the permit to your secondary vehicle & give the car info to the bookstore, if you drive it. Parking on campus is a privilege and may be revoked, if deemed necessary, by administration or security at any time. Park at your own risk. Keep vehicle locked & windows up to prevent theft. Neither the school nor the governing board are responsible for the vehicle or its contents. If for any reason your permit is lost or stolen, you will need to report it to the Bookstore IMMEDIATELY and will need to PURCHASE a replacement permit. Permits are assigned to the student and the vehicle established on this form. Permits are NON-TRANSFERABLE and MAY NOT be sold or borrowed. If you withdraw from EHS, your permit becomes void and must be returned to the Bookstore. You MUST notify the bookstore of ANY vehicle changes, so your paperwork can be updated with the new vehicle. Vehicles may be searched at any time if the administration or security have reasonable suspicion that a violation of school policy exists. Students are NOT allowed to be in the parking lot at their vehicles during school without proper authorization. Students are required to park within the designated marking of a parking space. Reckless or careless driving or parking in restricted areas will result in the loss of parking privileges. Students MUST adhere to all Eastmark High School rules and regulations while in the parking lot. Vehicles may be booted or towed at the owner's expense, if deemed necessary. Assigned parking permits are only valid during school hours. After school all spots are available for anyone to park in. I understand if I am found in violation of any of these rules, I may lose parking privileges or be suspended from school. By sig
