Principal's Message

Dear Firebird,

It is my pleasure to welcome you to year three at Eastmark High School. We've had two very unique years thus far at Eastmark High, so we are looking forward to a year featuring calm and normalcy. Despite the obstacles we've faced, the opportunity still remains for you to lead in a respectful, collaborative, and innovative way to achieve limitless opportunities for your future.

At EHS we remain committed to helping each student feel connected to a caring adult who will help you reach your potential for the future. We also have high expectations for our students. I encourage you to take a look at the poster around our campus: "What it means to be a Firebird!" and do some reflecting on how you are meeting our expectations. We also strongly encourage you to participate in the wide array of extracurricular opportunities we have available for our students. Many times, extracurriculars are the reason why students have pride in a school, and we desire a school filled with Firebird Pride.

Our school's defining feature, academically speaking, is our four academies, which allow each student to follow a specific sequence of elective classes tied to his/her future career. The four academies are Business, Leadership, and International Studies (BLIS), Fine Arts and Media Entertainment (FAME), Medical and Social Health (MASH), and Science Technology, Engineering, and Mathematics (STEM). As we grow, we want to initiate a challenge for students in their respective academies. We'll call it "Academy Games" and have a prize for the academy that wins the yearly challenge. Look for more information on this in the future. The career path academy model at our school also complements our rigorous academic opportunities, including honors courses, new dual enrollment and Advanced Placement courses, which will provide opportunities for a college preparatory curriculum.

In addition to establishing a strong relationship with each of you, our teachers use best practices to help you learn and develop the habits, mindsets, knowledge, and skills necessary for current and future success. These best practices will help you live out our mission as a school that leads through respect, collaboration, and innovation.

Finally, what would a modern 21st Century school look like without connections to social media? Please follow us on Twitter (@eastmarkhs), Instagram <https://www.instagram.com/eastmarkhighschool/> and check us out on Facebook (@EastmarkHS).

In closing, it is my distinct honor and privilege to lead the staff and students at Eastmark High School. Come Fly with Us!

Sincerely,

Paul D. Gagnon
Principal, Eastmark High School

Attendance & Bell Schedules

Extra-Curricular and Co-Curricular Eligibility

Students must have a 65% or above in all classes in order to participate in Extra-Curricular and Co-Curricular activities unless the activity is a credit-earning requirement for the class.

ABSENCES

- An absence is defined as a student not being present in his/her assigned classroom during his/her assigned period.
- An unexcused absence is any absence from one or more class periods which has not been excused by a parent **and** does not meet the excusable absence requirements (**see below**).
- Truancy is 5 days of unexcused absences.
- **A student who reaches 10 absences, excused or unexcused, during a semester may lose credit in the class or classes in which the 10 days are recorded. The following procedure will be followed:**
 - Parents will be notified when students reach 5, 7, and 10 absences.
 - If students exceed nine (9) absences for any one class, they will be placed on audit status for that course.
 - Students will remain in the class on audit status and may lose credit.
 - Students will need to complete and turn in the Excessive Absence Appeal Form with proper documentation verifying the absences.
 - Administration will determine if the appeal is granted.
- Students who are habitually truant are subject to disciplinary action ranging from detention to suspension and possibly cited.
- By state law, a student must be withdrawn from school after 10 consecutive days of absences. Parents may request a re-entry conference if the absences have been due to illness.
- As specified by state code and school rules, students may only be excused from school for:
 - Personal illness or illness in the family
 - Court appointment (documentation must be provided)
 - Quarantine in the home (health officials set length)
 - Death of a relative
 - Observance of a religious holiday
- **A student is considered absent if he/she arrives more than 10 minutes after the final bell.**
- A parent wishing to have a student excused before the close of the day must go to the school office and sign the student out. Photo ID is required to sign a student out of school.

C.U.T.S.

School attendance is not only a good habit, state law requires it. Arizona State law (§15-8072. A, 15-803.E) requires every person who has custody of a child between the ages of six and sixteen years shall make sure the child attends school for the full time school is in session unless unable to attend due to illness or another legitimate reason. To encourage and improve school attendance, Queen Creek Schools have implemented a truancy program in partnership with Maricopa County Juvenile Court. This truancy program is called C.U.T.S. (Court Unified Truancy Suppression). We will be tracking attendance very closely. Your child is expected to be at school every day, unless there is an excused reason not to be. An absence is defined as a minimum of one missed class period per day. An unexcused absence will count as a truant day as defined by law. A student is "habitually truant" if he/she has five or more unexcused absences from school. A student that is absent more than ten percent (18 days) of the required number of school days per year is considered to have "excessive absences" whether the absence is excused or unexcused. When a student has five or more unexcused absences or 18 excessive absences (excused OR unexcused), the student can be cited to the CUTS Program through the Juvenile Court. The hearing will be held on the school campus with representatives from Queen Creek Schools and the Juvenile Court. A parent or legal guardian must be present with the student at the time of the hearing. Consequences at the hearing may include the following: required attendance of the parent and the child at an education class (to be held on Saturdays), work hours assigned to the child, counseling, etc. The parent will be assessed a \$50 Diversion fee. Failure to complete these consequences may result in suspension of your child's driver's license, or inability to get a driver's license until their 18th birthday and/or formal court proceeding. It is the parent's/guardian's responsibility to ensure their child's attendance in an approved academic setting. If you fail to take the necessary steps to provide your child with the appropriate education you may receive a citation. If convicted, it is a class 3 misdemeanor punishable by jail time and/or fine. The education of your child is extremely important to us. This program is another way that Queen Creek High School and Eastmark High School are working with the community to ensure a quality education for all students. If you have any questions or concerns, please feel free to contact Eastmark High School Administration. Thank you for your support regarding this program.

Steps to follow when absent

Parent/guardian should call the Attendance Office at **480-474-6955** as early as possible each day the student is absent. The Attendance Office opens at 6:45 a.m. Parent/guardian should call by 9:30 a.m., or the automated phone caller will notify the parent/guardian.

Upon returning to school the following steps should be followed:

- Prior to entering class, students must check in with the Attendance Office.
- If the parent/guardian has not called to excuse the absence, then it will be marked as an unexcused absence.
- The Attendance Clerk will then issue the student an *Admit Form* only if it is an excused absence.
- **Any absence not excused by parent contact or proper documentation such as a medical/dental appointment card will be considered unexcused. Any absence not excused within 48 hours will be considered unexcused.** All absences not verified by a parent/guardian or authorized by an administrator will remain unexcused.

- Once a student is on campus, a parent cannot excuse their son/daughter without signing them out through the office.

TARDIES

Attendance is taken each period at the beginning of class. A student is considered unexcused tardy if he or she isn't in the classroom by the end of the final bell.

TARDY CONSEQUENCES

- All tardies are recorded. Tardies will accumulate throughout each semester.
- Up to 2 unexcused tardies in one period will result in a teacher-assigned consequence such as a conference, phone call home, detention, etc.
- The 3rd, 7th, and 10th unexcused tardy in one period will result in a teacher-initiated written referral and administrative consequence such as detention, Saturday school, community service, etc.
- Parents are only allowed to excuse tardies for a student's first class of the day.
- A student will be marked absent if he or she arrives 10 or more minutes after the final bell without an excused pass.

ABSENT WORK/LATE WORK

- It is the student's responsibility to initiate scheduling for make-up work if they are gone for a field trip or planned absence.

Absent Work

- A student with an absence will have two days for each day's absence to make-up all of his or her work. Anything beyond the two days for each absent day is considered late. Long term project due dates that fall during a student's absence will be due the day the student returns. Suspended students must take the responsibility of doing all assignments during his/her absence and turn in the work on the second day back. A student must be absent 3 or more days to request homework through the office. Please allow 24 hours to collect homework assignments from teachers.

Late Work Policy

- Full credit is only available for homework and class assignments turned in on the day they are due. Work turned in late will be given a grade reduction. Students may turn in completed late work or missed work for a maximum of 90% credit. If a student turns in a completed assignment on time, or late, the lowest overall grade they can receive is a 50%. Please note, all assignments are due by the end of the unit as defined by the teacher. The rationale for this is that the learning needs to take place prior to the final assessment in a given unit. Work not turned in prior to the end of the unit receives a 0%.

Counseling & Guidance Services

COUNSELING AND GUIDANCE SERVICES

The Eastmark High School Counseling and Guidance Center offers services to students in three major domains: academic advisement, career guidance, and personal/social development. Counseling and guidance services are available for **ALL** students, their parents, and school staff. Students may see any counselor about anything about which they are concerned. Each counselor will meet with their assigned cohort of students one to two times per year for a one-on-one, ECAP (Education Career Action Plan). In addition to building relationships with students, the purpose of this meeting is to 1) check that students are on track for graduation and 2) help students understand post secondary opportunities and create a plan to help them reach their goals.

High School Counselors

Last Names A - L – Mr. Joseph Domikaitis

Last Names M -Z– Mrs. Sara Nixon

Junior High Counselor - Mrs. Debi Short

Social Worker - Ms. Dena Morgan

- **Academic Advisement Services** Each counselor is prepared to provide assistance with junior high and high school registration, placement, five to six year planning, and progress monitoring. Further, each student will have access to information about post secondary opportunities, including career planning, post secondary education selection, admission procedures and financial aid applications. Many scholarships are offered through the counseling office. If you are interested in a scholarship, or other financial aid, contact the counselor as

soon as possible. Many scholarships pertain to a particular post secondary career pathway or have certain restrictions. There are also scholarships that appeal to a particular student's interests. Information on colleges, careers and scholarships are found online at www.ehs.qcUSD.org.

- **Career and College Guidance** will focus on helping students to identify their career interests and aptitudes, providing information on the entire spectrum of career options, and aligning junior high and high school course selections that will prepare students for chosen career areas. Beginning in 7th grade, all students will begin their career exploration journey by taking our 7th grade Careers class. This will contain an exposure to a variety of careers, address the 16 career clusters, and help students start to think about what career they might like to choose. In the 8th grade, all students will be required to complete an Education Career Action Plan (ECAP). In 9th grade and beyond, students will complete required activities for their ECAP or post secondary plan. Parents/guardians will be advised of their child(ren) career plans through grade level parent seminars held in the evening. Finally, students interested in attending a college, university, or technical/trade school are encouraged to take advantage of assistance in this area. Students may be:
 - Advised of school entrance requirements and necessary paperwork to begin the admission process.
 - Assisted with preparing for entrance exams (SAT/ACT/Accuplacer).
 - Given financial aid information.
 - Assisted with financial aid forms.
 - Taken on field trips to various school campuses to help students with making informed decisions about where to obtain post-secondary education and training.
 - NCAA Eligibility Center can be accessed through the EHS Counseling website on the <http://ehs.qcUSD.org> under "Important Links."
 - **Personal Counseling** will be offered on a prevention, intervention, and referral basis. Students are encouraged to consult with the counselor on an individual basis when they are faced with a problem or concern which so preoccupies them that they are unable to deal with the demands of school and home life. Eastmark High School also has a full time Social Worker to help address the needs of students.
 - **Students in Distress:** Students in distress who are reporting or exhibiting great pain, anxiety, depression, physical or mental suffering or are expressing suicidal/ homicidal ideations will be referred to the school Social Worker and the Student in Distress Protocol will be followed to help students and parents get the appropriate treatment and intervention. Eastmark High School and Queen Creek Unified School District partners with EMPACT/La Frontera to help educate students about warning signs

they might see in themselves and others and provides students with a wide array of coping methods to help overcome life stressors.

- **Substance Abuse Education Program:** Eastmark High School and all Queen Creek Unified School District 7th graders will go through an anti tobacco education program put together by the *MD Anderson Cancer Center* called ASPIRE. Students will complete a four hour course as part of our Careers class to help educate them on the dangers of using Vapor Tobacco (Vaping). Aspire will also be used as a diversion program for a first offence of bringing vapor tobacco substances or paraphanilia on campus. This is intended as an educational program only and not as treatment of addiction issues. Students may be required to participate in the program along with other discipline as an intervention to help students and parents understand the issues impacting their education.

Counseling services are available for all students and counselors have been placed intentionally in the classroom building in order to be available consistently for students. For longer conversations, an appointment will need to be set with the counselor so as not to interfere with the student's academic schedule if possible. All attempts will be made to render service as quickly as possible.

Dress Code

The Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance except when their choices affect the educational program of the school or the health and safety of others. The District encourages students to take pride in their attire as it relates to the school setting. Clothing that is disruptive or that detracts from the educational process or is destructive to school property is inappropriate. Because the school environment is a workplace, acceptable clothing for school may be different than clothing that may be worn in other environments.

When in doubt, parents and students should select more conservative clothing. Students deemed inappropriate in their attire will be directed to the administration office to obtain acceptable clothing and may result in further disciplinary action. Parents will be notified for repeat offenses.

The following items are considered *inappropriate* for the school settings:

- Any attire such as, but not limited to, exposing chest, cleavage, abdomen, genital area, or buttocks.
- Clothing must not be see-through and must cover a student's undergarments, chest and torso, when standing or sitting.
- Any attire deemed to be gang related or affiliated with a negative group. This includes any altered clothing such as, but not limited to, bandannas, memory shirts and headgear.
- Any "in memory" attire.
- Any attire that is deemed to be vulgar, profane, racially or sexually suggestive, or obscene or promotes violence, threats, or intimidation.
- Hats and sunglasses may be worn outside.
- Clothing, accessories and/or jewelry may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.
- Any attire that presents a risk to the health, safety or general welfare.
- Jewelry that presents a safety hazard to self and/or others, this includes spiked jewelry, chains, or other potentially dangerous accessories.
- Clothing or patches that advertise, display or encourage the use of alcohol, tobacco (in any form), drug paraphernalia, weapons, violence and/or illegal substances of any type.
- Low-cut shirts, see-through shirts, bare-midriff shirts, or clothing that is backless or racerback shirts that are revealing.
- Tank tops with shoulder widths less than one and one-half (1 1/2) inches.
- Muscle shirts, undergarments worn as outer garments, tube tops, short skirts or short shorts, pants that drag excessively to the ground, trench coats, or any clothing that allows your underwear to show.
- Visible tattoos that are considered inappropriate.
- Shoes must be worn at all times. Closed shoes are to be worn for any type of physical activity, such as physical education, et cetera.

Exceptions for special activities, health advisements or other considerations may be preapproved by the campus administrator. Student dress shall not present a hazard to the health or safety of the student or to others in the school, materially and substantially interfere with school work, create disorder, or disrupt the educational program, cause excessive wear or damage to school property nor include any type of clothing, accessories and/or jewelry that is worn with the intent to convey affiliation with a criminal street gang as defined in A.R.S. §13-105.

Discriminatory or obscene language or symbols, or symbols of sex, drugs, or alcohol on clothing are prohibited. Students may wear clothing, accessories and jewelry that display religious messages or religious symbols in the same manner and to the same extent that other types of clothing,

accessories and jewelry that display messages or symbols are permitted.

Students who volunteer for extracurricular activities, such as athletics, band, chorus, etc., are subject to the standards of dress as defined by the sponsors of such activities.

School administrators will make the final decision regarding the appropriateness of any student's appearance. Any apparel which the administration determines to be unacceptable in light of the above community standards is prohibited. Students who violate the dress code policy are subject to the discipline.

Parties and Season Festivities/Celebrations

At Eastmark High School, our primary focus is teaching and learning. However, we do participate in a variety of fun celebrations at our school. We have spirit days, seasonal activities and festivities to celebrate these special times of the year. These types of events generally take place for a short period at the end of the school day and/or include educational activities so that we can continue to focus on our mission of teaching and learning. Eastmark High School refrains from celebrating holidays and individual students' birthdays with costumes, cakes, candy, flowers, balloons, and gifts. Therefore, we ask students and parents to celebrate these activities off campus before and/or after school.

your student's name and password. Please make sure your contact information is up-to-date. This system is a great way to keep communication open between teacher, student and parents.

EMERGENCY PROCEDURES

State law requires that all schools practice evacuation drills. The purpose of these drills is to acquaint all students with the different exits depending on the area they may be in at the time of the evacuation drill. In case of an evacuation drill, students must exit in an orderly, efficient manner. In the unlikely event of a fire, bomb or other emergency requiring the evacuation of the building, notification will be given by sounding the fire alarm, making an announcement over the public address system, or sending a message in the case of a power outage. When notification is received, students should follow the evacuation plan posted in their rooms. Students who are in the breezeways, restrooms or lunchroom during the emergency should evacuate through the nearest exit and then report to a teacher at the gathering site for their class. Students should not attempt to return to classrooms during an emergency evacuation. **EXCEPTION:** When there is an emergency lockdown situation, students and teachers will remain in their classrooms until further notice. Official notice will be given as to where and how the students and teachers will evacuate.

FOOD IN CLASSES

Food is only allowed in classrooms at teacher discretion. **All drinks need to have a resealable top. All students entering campus will be asked to throw drink containers without resealable tops.**

A parent/guardian **must** sign out their student with the Attendance Office prior to their child leaving campus during the school day. Photo ID is required for verification of guardianship. Students will not use their own personal locks on school lockers.**

Eastmark High School is not liable for personal items stolen from a student while on campus or while attending a school related function.

School authorities may conduct inspections of lockers at any time, for any reason and without notice, without student consent and without a search warrant. Students should not plan on storing books in PE lockers because lockers are limited in use to PE classes.

All meals are provided under the National School Breakfast and Lunch Program Federal guidelines. This means all meals are planned according to the requirements provided by USDA. All school meals must meet specific calorie targets, fat percentages, fiber, vitamin and mineral targets.

The Child Nutrition Department is a self-funded department in the district. This means we operate based on the money we generate; we do not receive direct funding from the district. In order to operate we generate money from the meals we provide the students, any caterings we do and selling a la carte items.

All a la carte items we offer for sale during the meal service are in compliance with strict Smart Snacks nutrition criteria. This means all items are within the following guidelines: Less than or equal to 200 calories, less than 35% total calories from fat, less than 10% total calories from saturated fat, 0g trans-fat, less than 230mg sodium, less than 35% total sugar by weight. The juice we offer is 100% juice; the frozen slush drink (Penguin Ice) is also 100% juice.

Students are allowed to purchase a la carte items from their meal account. If you would like for us to limit their purchases you just need to contact the cafeteria.

<http://family.titank12.com> is a free online service you can use to keep track of your child's meal balance and transactions. Another free benefit includes setting up a low balance reminder on your account so the system can email you when your balance reaches the set amount. You can also utilize <http://family.titank12.com> to pay for your child's meals online. **There is a convenience fee for an online payment.**

Payments for meals can be made online at <http://family.titank12.com> using your Visa, MasterCard or Discover cards. You can also send payment via cash or check without a fee.

There is a \$25 fee for any returned check.

We have a no-charge policy for meals. If students do not have enough money in their meal account, they will be given a cheese sandwich on whole wheat bread, fruit, and milk. Students will receive verbal notification when their balance is low.

The cafeteria is unable to give back more than \$10 in change. If a \$20 is presented for 1 meal, the meal will be charged, \$10 will be given back as cash and the remainder will be credited to their meal account.

ANNUAL NOTIFICATION TO PARENTS REGARDING CONFIDENTIALITY OF STUDENT EDUCATION RECORDS AND SCHOOL DIRECTORY INFORMATION

Confidentiality of education records is a right of public school students and their parents. This right is provided for by two federal laws, the Individual with Disabilities Education Act (IDEA) and the Family Education Rights and Privacy Act (FERPA). Under these laws, "education records" means those records that are: (1) directly related to a student; and (2) maintained by an educational agency or institution or by a party acting for the agency or institution. Of course, education records are maintained on every child enrolled in a public school. The types of information gathered and maintained include, but is not limited to: the students' and parents' names, address and telephone number; the student's date and place of birth, date of enrollment in the school, records from previous schools attended, attendance record, subjects taken, grades, school activities, assessment results, from parents and child find and other screening results, including hearing and vision screening results.

In addition, for children with disabilities, education records could include, among other things, evaluation and testing materials, medical and health information, each annual Individualized Education Program (IEP) notices to parents, notes regarding IEP meetings, parental consent documents, information provided by parents, progress reports, assessment results, materials related to disciplinary actions and mediation agreements.

The information is gathered from a number of sources including the student's parents and staff of the school of attendance. Also, with parental permission, information may be gathered from additional sources including doctors and other health care providers.

This information is collected to assure proper identification of a student and the student's parents and the maintenance of accurate records of the student's progress and activities in school. For children with disabilities, additional information is collected in order to assure the child is identified, evaluated and provided a Free Appropriate Public Education in accordance with state and federal special education laws.

Each agency participating under Parr B of IDEA must assure that, at all stages of gathering, storing, retaining and disclosing education records to third parties, it complies with the federal confidentiality laws.

In addition, the destruction of any education records of a child with a disability must be in accordance with IDEA regulatory requirements.

The federal Family Policy Compliance Office of the U.S. Department of Education has provided the following notice of parent's rights under FERPA. In accordance with IDEA the rights of the parents regarding education records are transferred the student at age 18.

The Family Education Rights and Privacy Act (FERPA) afford parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.

Parents or eligible students should submit to the school principal (official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading

Parents or eligible students may ask a school district to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Our school nurses are Queen Creek School District's contact for children birth through 2 years. Children birth through 2 years of age who are receiving early intervention services and will be participating in preschool programs for children with disabilities will be assured of a smooth transition into that program. We will ensure that:

- Transition conferences for children aged 2 years, 6 months to 2 years, 9 months will be held;
- By the child's 3rd birthday an Individual Education Program (IEP) or Individualized Family Service Plan (IFSP) will be developed and implemented; and

We are also responsible for providing a free and appropriate public education (FAPE) which includes special education and related services to children with disabilities at public expense, under public supervision and direction and without charge to the parents.

For all new students to the district, the classroom teacher will complete screening activities within 45 days of enrollment. The teacher will look at the child's ability in the areas of academics, vision, hearing, adaptive, communication, social/emotional and motor skills.
